**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

America is competition and the big corporate machinery should not be allowed to eliminate that competition. The federal government is there to ensure a level playing field and we do not want to be stuck with an inferior product because the big guys are being allowed to arbitrarily eliminate the much better smaller competitors like our local Sonic.com. They are the best in every way, for us! Lease do your job and ensure the level competitive playing field America was built on.

Thank you!
